

# JAY AND BETTY VAN ANDEL CIRCLE OF HOPE

Van Andel Institute represents a family legacy. It was started by Jay and Betty Van Andel and now is carried forward by David and Carol Van Andel.

We deeply appreciate generous individuals who choose to join this family legacy by making a planned gift to Van Andel Institute. Thanks to your gift, our work will continue as we seek to find cures and extend hope to patients and their families. Your gift will also help educate the next generation of scientific leaders and foster curiosity and creativity in our youth.

We honor donors who make a planned gift by welcoming them into the *Jay and Betty Van Andel Circle of Hope*. When you notify us of your intentions, you will become a member. We honor our *Circle of Hope* members in many ways:

- Two tickets to Carol Van Andel Angel of Excellence Awards Dinner and Presentation
- Two tickets to annual donor recognition dinner
- Invitations to exclusive events that bring you closer to our scientists and latest research
- Name recognition (if desired) in the annual report and Hope on the Hill program
- Name(s) added to the *Jay and Betty Van Andel Circle of Hope* wall, located on the main floor of Van Andel Institute
